Day 1 – Home City to Calgary

Your adventure begins with pick ups in Regina and Saskatoon and anywhere along the route.

Day 2 – Calgary to Kelowna

Today you make your way to Kelowna, with a stop in Banff National Park.

Day 3 – Kelowna

You begin your day with the **Scenic Sip route to Lake Country**. Lake Country is comprised of shimmering lakes, beaches and lush green orchards that stretch for miles.

Your first stop will be at **50th Parallel Estate Winery** where you will have a tour and tasting. Your next stop will be **Peak Cellars** where you will have a tasting and lunch. Your third stop in Lake Country will be at **Ex Nihilo** for another tasting.

Next, you are off to explore the **Westside Wine Trail**. It is a place of rolling hills of orchards and vineyards and winding country roads. Here you will visit **Indigenous World Winery** and **Volcanic Hills Estate Winery** for tastings.

Day 4 – Kelowna

Enjoy your day of leisure. Perhaps take a stroll along the boardwalk, check out a beach, or maybe a little shopping. This evening you head out for your **Sunset Dinner Cruise** on Okanagan Lake.

Day 5 – Kelowna

Your first stop of the day will be on the **Lakeshore Wine Route** for a tasting at **Tantalus**. This region has some of the oldest vineyards in the central Okanagan. Next, continue to Kelowna's **Southeast Bench**. It is known for its rolling hills, bucolic fields, and winding country roads.

Kelowna

Westside Wine Trail

Most of the wineries and tasting rooms along this route are on the smaller side and tend to be family owned and they share a rural, cool, and funky farm feel to them. Stops here will include **Meadow Vista Honey Wines** for a tour, tasting and lunch, **The View Winery** for a tasting and your final tasting at **Vibrant Vine Winery**.

Day 6 – Kelowna to Calgary

With your wine bottles stored on the bus, you depart Kelowna and make your way to Calgary where you will overnight.

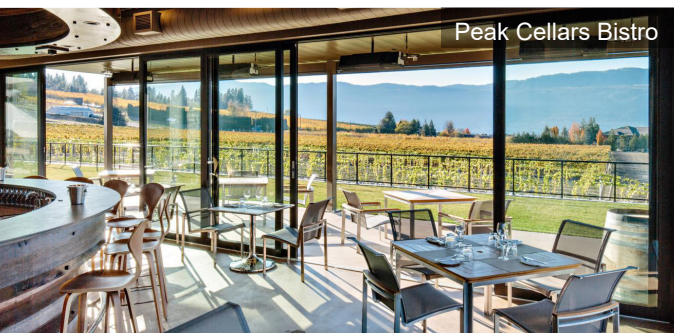

Day 7 – Calgary to Home City

Today you bid farewell to your friends as you make your way back home.
