Day 4 - New York

Today your view of the Big Apple is from the water, stops at **Ellis Island** and **Statue of Liberty** are highlights of this cruise.

Many people come to New York hoping to make it to the top, and the fastest way there is the elevator – to the 67th, 69th or 70th floors at **30 Rockefeller Plaza**. The three 360-degree view observation decks at Top of the Rock showcase the City's spectacular skyline. This evening's Broadway Show:

The Book of Mormon - The Book of Mormon follows two young missionaries who are sent to Uganda to try to convert citizens to the Mormon religion. One missionary, Elder Price, is an enthusiastic go-getter with a strong dedication to his faith, while his partner, Elder Cunningham, is a socially awkward but well-meaning nerd whose tendency to embroider the truth soon lands him in trouble. Upon their arrival in Africa, Elders Price and Cunningham learn that in a society plagued by poverty and violence, a successful mission may not be as easy as they expected.

Statue of Liberty

Day 5 - New York

Enjoy a free morning to explore some of the fabulous sights and sounds of New York. This afternoon's Broadway Show:

Aladdin - Aladdin is a gorgeously produced show that's a delight from start to finish. The beloved characters from Disney's 1992 animated hit are given fresh life on the New Amsterdam Theatre stage, including the "Friend Like Me" Genie, who leads two show-stopping musical numbers. The costumes and set design are among the most beautiful on Broadway, and Aladdin and Jasmine's magic carpet ride to "A Whole New World" inspires gasps of delight. Seven new songs help flesh out a story that keeps audiences entranced all the way through to its happily-ever-after ending.

This evening, join your fellow travellers for a **farewell dinner**.
