DAY 2: Ottawa

The day starts with a **city tour of Ottawa**. Then off to the Canadian Museum of History which offers a deeply immersive exploration of Canada's rich tapestry wrapped in iconic architecture and rich collections. Spend some free time at the famous Byward Market, then enjoy a cruise of the Rideau Canal.

Day 3: Ottawa to Quebec City, QC

Crossing the border into 'La Belle Province', travel to Trois Rivières and tour the **BOREALIS Museum**. This former industrial heritage site transformed into a museum will allow you to discover the themes of the forest, the log drive, the loggers, without forgetting the life of the workers of yesteryear. Then on to Quebec City which will be home for 2 nights.

Day 4: Quebec City

Start the day with a guided tour of this

fascinating walled city, then stop at the Copper Art Studio Museum and the stunning Sainte Anne de Beaupré Cathedral. Dinner tonight is at an authentic Quebec Sugar Shack.

DAY 5: Quebec City to Bathurst, NB

A unique coffee break at St Jean Port Joli, famous for its wood carvers. Next, a stop at Rimouski, QC at the Pointe-au-Pere Historic Site and Maritime Museum. Climb the 128 steps to the top of the Pointe-au-Pere Lighthouse for a breathtaking view of Rimouski Bay. It was completed in 1909 and it's the second tallest lighthouse in Canada at 33 metres (108 feet). After, be transported into the life of a deep-sea diving submariner, the 90-metre-long Onondaga Submarine which was operational in the North Atlantic between 1967 and 2000. Explore the control and engineering rooms, propellers, sonar, and the bunks! Finally, tour the Maritime Museum which is a treasure trove of information on the area's rich Maritimes history.

DAY 6: Bathurst to Charlottetown, PEI

The first attraction today will be the Irving Eco-Centre, la Dune de Bouctouche. This sand dune stretches

Itinerary

Cabot Trail

12 km across Bouctouche Bay, a result of the constant action of wind, tides, and sea currents since the last ice age. Every major storm, its shape changes. Stroll along the 800-metre boardwalk, perhaps catching sight of the shore and migrating birds that make the dune their habitat. The interpretive centre has educational and interactive displays describing the dunes. Heading to PEI, cross the 13km long **Confederation Bridge**. Stopping at COWS Creamery, take a self-guided tour of the "Behind the Scenes" area to see how they make their famous cheeses, butter and of course, their ice cream! Charlottetown will be your home for the next two nights.

DAY 7: Charlottetown

A local guide will show you around **Prince Edward Island**, including a **tour of Charlottetown**. Of course, no tour of PEI would be complete without a visit to the Anne of Green Gables Heritage Place. Dinner tonight is in New Glasgow, where you will enjoy a traditional PEI Lobster Dinner (if you are not a seafood lover, alternatives are available).

Day 8: Charlottetown to Sydney, NS

Cross the Northumberland Strait to Caribou, NS by **ferry**, and then follow the beautiful coastline of Nova Scotia north to scenic Cape Breton Island on the way to Sydney, home for two nights.

DAY 9: Cabot Trail

Today travel the breath-taking **Cabot Trail**, the most photographed and scenic highway in Canada. There will be lots of photo stops along the way. You will also visit the **Alexander Graham Bell National Historic Site** today.

Day 10: Sydney to Halifax

Today a historic **city tour of Halifax** includes a visit to Fairview Lawn Cemetery where there are gravesites of some of the passengers on the ill-fated **Titanic**.

Day 11: Halifax

With a free morning to explore on your own,

perhaps visit the always interesting Canadian Museum of Immigration at Pier 21. In the afternoon, the **Maritime Museum of the Atlantic** is on the agenda and then out to the most photographed village in Canada, **Peggys Cove**.

Day 12: Halifax

Today is a completely free day to either rest or take in some of Halifax's other attractions such as the Citadel or the Queen's Marque, Halifax's newest shopping and dining destination!

Day 13: Halifax to Fredericton, NB

The first stop today will be at the Springhill Miners' Museum to learn about the coal mining history of Nova Scotia and the 1958 mining disaster. From there travel to Moncton, New Brunswick, stopping to see the unusual phenomenon of Magnetic Hills. The day isn't over yet! The Hopewell Rocks on the Bay of Fundy are rock formations caused by tidal erosion. The Bay of Fundy has the highest tides in the world because of an unusual combination of resonance (or seiche) and the shape of the bay.

Day 14: Fredericton to Rivière-du-Loup, QC

Kings Landing is a living history museum with original buildings from the period of 1820-1920. A costumed interpreter will explain the many different structures and the various jobs that contribute to running the village during that era. Their philosophy is "tell them and they'll forget. Show them

and they'll remember. Involve them and they'll understand". On the way to Rivière du Loup, stop in Hartland, NB to see the worlds longest covered bridge.

Day 18: Rivière-du-Loup to Montreal

Travel along the south side of the St Lawrence this time heading into Montreal. A free afternoon to explore the beauty of Old Montreal, view the Notre Dame Cathedral and maybe enjoy a famous Montreal smoked meat sandwich!

Day 19: Montreal to Niagara Falls, ON

Travel down the busiest traffic corridor in Canada, the infamous Highway 401, on the way to Niagara Falls, home for 2 nights.

Day 20: Niagara Falls

This morning, a local guide will be joining for a tour of Niagara Falls and the surrounding Niagara-on-the-Lake area. Prepare to get a little wet as you get up close and personal with the falls on the Voyage to the Falls Boat Tour. This sturdy vessel takes you to the base of the falls where the water thunders all around. These tours have operated continuously since 1846!

Day 21: Niagara Falls to Home City

Sadly, all good things must come to an end. Make your way to the airport on your own time.

**Airport to Hotel Transfers (roundtrip) are not included on this tour*
