Itinerary

Beluga Whales in the Churchill Estuary

DAY 1: Home City to The Pas, MB

Starting out in Regina, the coach will travel to Saskatoon with pickups en route. Our journey will then continue to The Pas, our first overnight stop, often referred to as the Gateway to the North.

DAY 2: The Pas to Thompson

Make a refreshing stop at Pisew Falls Provincial Park to stretch our legs and marvel at the breathtaking falls. Afterward, head to Thompson, where you'll have some free time to shop before boarding the Via Rail Train for our overnight journey to Churchill.

**Via Rail seating is in Economy Class.*

**Please note that food options are limited on the Thompson-Churchill route, so we recommend coming prepared.*

**The rail line into Churchill is busy and delays due to traffic and maintenance are not uncommon. Such delays may affect the schedule and availability of events as well as arrival times in both directions.*

DAY 3: Via Rail to Churchill

Arriving in Churchill in the morning, meet our local guide for an orientation tour of the town. After the tour, have some free time to enjoy lunch and check into your hotel. In the afternoon, embark on a boat tour for beluga whale watching, followed by a visit to the Prince of Wales Fort National Historic Site for a tour of the grounds.

In the evening, join your fellow travellers for a welcome dinner at the hotel.

*Please note that the itinerary for Days 3, 4, and 5 is subject to change based on local schedules, tides, weather conditions, and any logistical challenges associated with travelling in northern and remote areas.

DAY 4: Churchill

This morning, we set out for a comprehensive tour of the area, including stops at notable sites such as Cape Merry National Historic Site, the Coast Road, "Miss Piggy," and the Polar Bear Holding Facility, among others.

In the afternoon, visit the Itsanitaq Museum. Later, enjoy an engaging talk with a Parks Canada Speaker, who will provide insights into the region's history and its significance.

DAY 5: Churchill to Via Rail

After checking out of the hotel, embark on a Polar Rover Tour across the tundra. Keep an eye out for caribou, eagles, and other wildlife, including the elusive polar bear (with a 25% chance of sighting during the summer). You will also get to view the Churchill Northern Studies Centre, the Rocket Range and its launch site, and capture a photo of the Ithaka Shipwreck.

The afternoon is yours to explore the town at your leisure, visit the local shops, or stop by the Parks Canada Interpretive Centre, located in the

train station. Later, board the Via Rail Train for your overnight journey back to Thompson.

DAY 6: Via Rail to Thompson and then The Pas

This morning our train arrives in Thompson where our coach has been patiently waiting for us. We return to The Pas for our last night.

DAY 7: The Pas to Home City

Lots of time today to reminisce with everyone about our Churchill adventure before arriving back home.
