Day 2 - St. John's. Depart St. John's for the **Witless Bay Ecological Reserve** and take a boat tour to see the nesting seabirds, humpback whales and icebergs. Return to the hotel for some free time to explore St. John's.

Day 3 - St. John's to Clarenville. Today we travel to Clarenville, but not before we have a historical city tour of St. John's, including **Signal Hill National Historic Site, Government House, Anglican Cathedral** and the **Cape Spear National Historical Site**. After leaving St. John's, we will visit **Heart's Content Cable Station**. A special treat this evening is an authentic **Newfoundland Screech In**.

Day 4 - Clarenville. Today we will continue our journey to **Trinity** and **Bonavista**. First we visit the community of Trinity. Most of the old town is a national heritage district, and there are several provincial historic sites such as **Hiscock House Provincial Historic Site, Lester Garland House/Wessex Learning Centre** and **St. Paul's Anglican Church** are our other stops. While in Trinity we will stop by the **Green Family Forge Blacksmith Museum**, and the **Trinity Museum** and Archives as well as the **Trinity Interpretation Centre**. We go back into history to the voyage of John Cabot. He sailed from England to Newfoundland landing at Cape Bonavista in 1497. One of the "must-sees" is the **Cape Bonavista Lighthouse Provincial Historic Site** which has been restored to its original 1843 condition. Other stops on your tour include the monument to John Cabot located near the lighthouse, **Ryan Premises National Historic Site** – which includes the **Bonavista Museum** and the **Dungeon Provincial Park**, a collapsed sea cave.

Day 5 - Clarenville to Gander. Today's first stop is **Joey's Lookout** in Gambo, the birthplace of Joseph R Smallwood, the first premier of the province and one of the original 'Father's of the Confederation'. From here we go to **Boyd's Cove** and visit the **Beothuk Interpretation Centre** and learn more about Newfoundland's ill-fated indigenous people. In Twillingate we will visit **Prime Berth Historic Fishing Village** and learn about the history and culture of the area by visiting the Living History Museum and then on to the **Long Point Lighthouse**, built in 1876.

Day 6 - Gander to Rocky Harbour. Today, before we leave Gander, often called the 'Crossroads of the World', we will stop at the **Silent Witness Memorial** and then we'll visit the **Atlantic Aviation Museum** which tells the story of civil and military aviation in the town going back to the 1930's.

We'll then depart for Grand Falls-Windsor to visit the **Salmonid Interpretation Centre**, a fabulous place to watch Atlantic salmon as they migrate to their spawning grounds.

Our home tonight is Rocky Harbour. Tonight you can relax and tap your feet to the popular local band, **Anchors Aweigh** who will be playing a selection of local Newfoundland & Labrador music.
