Day 1 Home City to St. John's

Depart home city for St. John's.

Day 2 St. John's

This morning depart for **Witless Bay Ecological Reserve** for a bird and whale watching boat tour in search of nesting seabirds, humpback whales and icebergs. Return to the hotel for some free time to explore St. John's.

Day 3 St. John's to Clarenville

Today travel to Clarenville, but not before you have a historical city tour of St. John's, **including Signal Hill National Historic Site, Government House, Anglican Cathedral, and the Cape Spear National Historical Site.** After leaving St. John's, visit **Heart's Content Cable Station.** A special treat this evening is an authentic **Newfoundland Screech In.**

Day 4 Clarenville

Continuing our sightseeing today, we travel to **Trinity** and **Bonavista.** First, visit the community of Trinity. Most of the old town is a national heritage district, and there are several provincial

historic sites such as **Hiscock House Provincial Historic Site.**

Lester Garland Premises Provincial Historic Site, Lester Garland House/Wessex Learning Centre, and St. Paul's Anglican Church.

While in Trinity stop by the **Green Family Forge Blacksmith Museum,** and the **Trinity Museum and Archives** as well as the **Trinity Interpretation Centre.** Go back into history to the voyage of John Cabot. He sailed from England to Newfoundland landing at Cape Bonavista in 1497. One of the "must-sees" is the **Cape Bonavista Lighthouse Provincial Historic Site** which has been restored to its original 1843 condition. Other stops on your tour include the monument to John Cabot located near the lighthouse, **Ryan Premises National Historic Site** - which includes the **Bonavista Museum** and the **Dungeon Provincial Park,** a collapsed sea cave.

Day 5 Clarenville to Gander

Today's first stop is **Joey's Lookout** in Gambo, the birthplace of Joseph R. Smallwood, the first premier of the province and one of the original 'Father's of the Confederation'. From here go to **Boyd's Cove,** visit the **Beothuk Interpretation Centre,** and learn more

about Newfoundland's ill-fated indigenous people. In Twillingate visit **Prime Berth Historic Fishing Village** and learn about the history and culture of the area by visiting the **Living History Museum** and then on to the **Long Point Lighthouse**, built in 1876.

Day 6 Gander to Rocky Harbour

Before leaving Gander, often called the 'Crossroads of the World', stop at the **Silent Witness Memorial** and then visit the **Atlantic Aviation Museum** which tells the story of civil and military aviation in the town going back to the 1930's. Then, depart for Grand Falls Windsor to visit the **Salmonid Interpretation Centre**, a fabulous place to watch Atlantic salmon as they migrate to their spawning grounds. Our home tonight is Rocky Harbour. Enjoy an evening full of traditional toe-tapping Newfoundland & Labrador music at the popular **Anchors Aweigh Show**.

Day 7 Rocky Harbour to L'Anse-au-Clair

Our first stop is **Arches Provincial Park** where caves carved by undersea wave action have been thrust above the surface over the eons. Then head for St. Barbe and take the ferry to Labrador, sailing through **Iceberg Alley**. You may have an opportunity to marvel at the sight of majestic icebergs and breaching whales. Off to **Red Bay National Historic Site**, World Whaling Capital 1550-1600 A.D. Experienced Visitor Centre guides will interpret the Basque whaling activity in the area during the 16th century.

Day 8 L'Anse-au-Clair to St. Anthony

Before leaving Labrador, visit the **Point Amour Lighthouse Provincial Historic Site**. If you're up to the challenge, climb the 132 steps to the top of this castle-like structure: the tallest lighthouse in Atlantic Canada. A relaxing ferry ride will take you back to Newfoundland for an overnight in the quaint town of St. Anthony. Dinner tonight will be a **Viking Feast** in a replica of Leif the Lucky's home.

Day 9 St. Anthony to Plum Point

Exploring St. Anthony this morning, visit the **Grenfell Home** and the Charles S. Curtis Memorial Hospital to see the **Jordi Bonet Murals** tell the story of the Grenfell Mission, named for famous medical missionary Sir Wilfred Grenfell. This afternoon enjoy **L'Anse aux Meadows National Historic Site**. This was the home of Leif the Lucky and the Viking people who settled here around 1000 A.D. You can tour the reconstructed sod huts as period costumed animators recreate daily life at the site. This evening partake in a **Newfoundland 'Mug Up'**.

Day 10 Plum Point to Deer Lake

Today's highlights include **Gros Morne National Park**, a **UNESCO World Heritage Site**, where you will visit the **Discovery Centre**. Also visit **Lobster Cove Head Lighthouse** and from there get a great view of Bonne Bay and the surrounding mountains. Then, enjoy a

relaxing water taxi ride from Norris Point to Woody Point. Tonight, in Deer Lake join all your new friends for **dinner**.

Day 11 Deer Lake to Halifax, NS

Transfer to the airport for your flight to Halifax. Transfer to your hotel is included.

Day 12 Halifax

Today visit a **UNESCO World Heritage Site, Lunenburg**, starting with a **guided walking tour** of Lunenburg. You will have free time to explore the **Fisheries of the Atlantic Museum**. Tonight, join your fellow travellers, tour director and bus driver for **dinner**.

Day 13 Halifax

This morning's **city tour** of historic Halifax includes a visit to the passenger gravesites of the ill-fated Titanic. After lunch, visit the **Maritime Museum** and then on to the most photographed village in Canada, **Peggy's Cove**. **Dinner is included** this evening.

Day 14 Halifax to Sydney

Enroute to Sydney, travel through the rolling hills, fertile valleys, forests, rivers, and lakes of Nova Scotia, heading north to scenic **Cape Breton Island**.

Day 15 Sydney to Fortress of Louisbourg and Return

A historic day trip to the **Fortress of Louisbourg National Historic Site**. Where French soldiers march down the streets of town as ladies dance in formal parlours. Cannon fire shakes the ground as harpsichord tunes mingle with baked bread aroma drifting from the stone bakery. Step through Louisbourg's fortress walls and time-warp back to the 1700's. Chat with fishermen, sailors, and servants. Watch lacemaking as stew simmers on an open-hearth fire. It's so real, it seems surreal. Then visit **Cape Breton's Miners Museum**. Browse the modern exhibits paying tribute to the region's long and rich history of coal mining. The museum is also home to the famous choir of miners 'The Men of the Deeps'. During your free time, perhaps enjoy a stroll through the historic village or opt to join a retired miner guide for an underground experience. **Dinner is included** this evening.

Day 16 Cabot Trail

Today, travel the breathtaking **Cabot Trail**, the most photographed and scenic highway in Canada. There will be plenty of photo stops along the way. Stop to visit the **Alexander Graham Bell National Historic Site** - not your traditional museum! With manicured landscapes, vibrant gardens, and panoramic views of Baddeck Bay. A **picnic lunch is included** today.

Day 17 Sydney to Charlottetown, PEI

Take a ferry across the **Northumberland Strait** to PEI and then onto Charlottetown, your home for the next two nights.

Day 18 Charlottetown

A local guide will spend the day touring you around Prince Edward Island, including a city tour of vibrant Charlottetown. Of course, no tour of PEI would be complete without a visit to the Anne of Green Gables House. For dinner tonight, enjoy a traditional PEI Lobster Dinner (if you are not a seafood lover, alternatives are available).

Day 19 Charlottetown to Saint John, NB

Travelling to New Brunswick today, you drive across the 13-km long Confederation Bridge. Stopping at Hopewell Rocks, where the highest tides in the world occur, twice a day! Then you experience rolling uphill at Magnetic Hill in Moncton, before heading to Saint John, home for the next three nights.

Day 20 Saint John to St. Andrews By-The-Sea and Return This morning travel to St. Andrews By-The-Sea. St. Andrews is a treasure trove of beautiful architecture, unparalleled scenery, and rich marine life. While here, enjoy a spectacular Whale Watching tour on the Jolly Breeze Tall Ship. Visit Ministers Island by driving across the sea floor at low tide and enjoy a guided tour of the Van Horne Estate while on the island.

Day 21 Saint John

Enjoy a city tour of Saint John this morning, then visit the Reversing Falls. If the timing is right, you can witness this unique phenomenon created by the collision of the Bay of Fundy and the Saint John River. As the Bay's tides rise, they gradually reverse the flow of the river. This evening join your new friends, tour director and bus driver for a WestWorld Tours Farewell Dinner.

Day 22 Saint John to Home City
