Day 1 – Home City to New York City

On arrival at the La Guardia Airport, transfer to your Manhattan hotel for the next five nights – The Millennium Times Square Hotel. This hotel has an amazing location and is less than 200 metres from Carnegie Hall, Rockefeller Center, The Ed Sullivan Theater and Radio City Music Hall.

Day 2 – New York

A local guide will show off the city, including Greenwich Village, Wall Street, Little Italy, Chinatown, The Empire State Building, and a stop at the 9/11 Memorial.

Day 3 – New York

Today your view of the Big Apple is from the water, stops at **Ellis Island** and **Statue of Liberty** are highlights of this cruise. Many people come to New York hoping to make it to the top, and the fastest way there is the elevator – to the 67th, 69th or 70th floors at **30 Rockefeller Plaza**. The three 360-degree view observation decks at Top of the Rock showcase the City's spectacular skyline. **This evening's Broadway Show:** **Jersey Boys** – Jersey Boys is a musical biography of the

Four Seasons – the rise, the tough times and personal clashes, and the ultimate triumph of a group of friends whose music became symbolic of a generation. Far from a mere tribute concert, Jersey Boys gets to the heart of the relationships at the center of the group – with a special focus on front man Frankie Valli, the small kid with the big falsetto. In addition to following the quartet's coming of age as performers, the core of the show is how an allegiance to a code of honor learned in the streets of their native New Jersey got them through a multitude of challenges: gambling debts, Mafia threats and family disasters. Jersey Boys is a glimpse at the people behind a sound that has managed to endure for over four decades in the hearts of the public.

Day 4 – New York

Today is a free day to explore the Big Apple. As an option, our Tour Director will have something planned, that you can join. We have **included a 48 Hop on Hop off pass** to help you get around. Your Tour Director will fill you in on how to make the most of this pass.

Day 5 - New York

Enjoy a free morning to explore some of the fabulous sights and sounds of New York. This afternoon's **Broadway Show: Come From Away** - Come From Away is based on the true story of when the isolated community of Gander, Newfoundland played host to the world. What started as an average day in a small town turned in to an international sleep-over when 38 planes, carrying thousands of people from across the globe, were diverted to Gander's air strip on September 11, 2001. Undaunted by culture clashes and language barriers, the people of Gander cheered the stranded travelers with music, an open bar and the recognition that we're all part of a global family. This evening join your fellow travellers for a farewell dinner.
